ABSTRACT

Angga Rafi Setiawan 2016. Activities of the guides in Puro Mangkunegaran Palace, English Diploma Program, Faculty of Cultural and Science Sebelas Maret University.

This internship report was written based on my internship activity from January 4th to March 4th 2016 as a guide in Puro Mangkunegaran Palace. The objective of this report is to know and describe the activities of the guides in Puro Mangkunegaran Palace including the problem and solution. Several activities must be followed by the guide such as class activity, getting information, escorting, and guiding.

First, the guide should listen and learn the material given by the senior guides of Mangkunegaran Palace. In addition, the guide was asked by senior guides to look around the palace for getting information of the palace. After getting information the guides collected more information of the Palace by doing escort activity. The activity is the way to lead the guide to know and observe how the senior guides handle a tourist. The guide should memorize about the things explained by senior guide during escorting activity. After those activities above passed by the guides, they were asked by the supervisor guide to handle the tourists by themselves.

The problems of guiding at Mangkunegaran Palace are language problem, the lack of vocabulary, and less explanation. The solutions of guiding at Mangkunegaran Palace are giving language lesson, using of body language and preparing small note, and adding jokes.
